**Identifying Characteristics:** Jackie has a tattoo of a hawk's head on her left shoulder and a tattoo of a butterfly or heart on her left breast. She has a surgical scar on her abdomen and has additional scars on her right ankle, left ankle, left knee, and left leg. Her left leg is shorter than her right leg. Thomas has a tattoo of a hawk's head on his left calf and scars on both wrists and on his right shoulder.

**Circumstances:** The two were last seen in the vicinity of 15th Street in Newport Beach, California. There has been no activity on their bank accounts, email, or cell phones since they disappeared. Their silver 1998 Honda CR-V was located on December 16, 2004 in Ensenada, Mexico.
