

MISSING

Since January 2006 from Highland Beach, Florida

EMILLIE VICTORIA HOYT

Age Missing: 23
Alias: Em, Emmy
D.O.B.: Oct. 7, 1982
Hair Color: Brown
Eye Color: Brown
Height: 5'6"
Weight: 115 lbs.
Gender: Female
Race: Caucasian
Case #: 09-133771

Identifying Characteristics: Her hair may be dyed blonde. She has scars on both arms from boils. She has tribal tattoos on both shoulders (photo above). She has gauged ear piercings. She has screws in both lower jaws from surgery and has had a broken collarbone and a broken foot. Three of her teeth are missing.

Circumstances: Emillie was last seen in Highland Beach, Florida sometime during December 2005. Her family contacted the police in Florida after not hearing from her for a few weeks. Police refused to take a missing person's report at the time, saying there was no evidence that Emillie was in danger. Years passed before they agreed to list her as missing. Some accounts give January 1, 2006 as the date Hoyt went missing.
